

# IMUA

INLAND MARINE UNDERWRITERS ASSOCIATION

Champion the interests of the inland marine industry and foster the education and development of industry professionals

### STRATEGIC ALLIANCES:

Collaborate with some of the organizations IMUA has partnered with including ISO, The Institutes, AAIS, CargoNet, NER, IABNY

### LEGISLATIVE & REGULATORY ADVOCACY

Gain insight into federal & state issues shaping the industry & impacting underwriting decisions

### EDUCATION & TRAINING:

Boost your development...attend a class, participate in a webinar, go on an industry-related field trip, or take part in IMUA's Annual Meeting, the industry's premiere educational symposium

### CONNECTIVITY:

Stay in touch & keep abreast of the latest industry & association news via IMUA's website, LinkedIn, Twitter, Facebook, Instagram, IMUA's YouTube Channel & our "Inland Issues" newsletter

### VOLUNTEERISM:

Share your expertise & sharpen your leadership skills on one of 8 technical committees, 10 regional advisory committees, or countless opportunities as a subject matter expert to industry peers

### INTERACTION:

Engage with 50 member & 36 associate member companies representing 1000s of individuals and 100s of brokers all offering unique opportunities to build relationships

### INFORMATION & DATA RESOURCES:

Access white papers, pdfs of annual meeting presentations & news on IMUA's website

### NETWORKING:

Expand your circle of industry peers to make meaningful connections & exchange ideas

### ON THE MOVE:

IMUA's podcast series featuring inland marine professionals who share their insights and experience on a wide range of industry topics such as career development, technical issues and keeping a healthy work/life balance

### E-LEARNING:

Take the next step in expanding your industry knowledge with a series of "at home" online courses & archived webinars

### MEMBERSHIP

Over 50 insurance company members and 3800 of their industry professionals

Leverage it as a powerful business tool to increase profitability through the training and education of your inland marine employee
