IMUA ANNOUNCES 42nd ANNUAL SOUTHEAST INLAND MARINE VIRTUAL SEMINAR

Presented by IMUA's Southeast Regional Advisory Committee

New York, NY, August 4, 2022 – The Inland Marine Underwriters Association (IMUA) announced that this year's *42nd Annual Inland Marine Virtual Seminar* is scheduled for Thursday, October 20, 2022, 10:00 AM - 1:00 PM EDT. This informative half-day virtual seminar is presented by the IMUA Southeast Regional Advisory Committee.

In making the announcement, IMUA's Vice President & Secretary, Lillian Colson, said, "Our Southeast Regional Advisory Committee has once again assembled another diverse schedule of educational opportunities for IMUA members and brokers. The topics for this program are extremely relevant to today's inland marine environment. The Southeast Regional Advisory Committee has done an outstanding job not only in selecting a program that focuses on pressing issues but also in securing knowledgeable professionals to address each."

This half-day seminar is complimentary for IMUA members and brokers. Registration is required. Topics for the virtual seminar include:

- Life Cycle of an Inland Marine Claim: Impact of Underwriting & Claims
 - What are account/market adjusters?
 - Effective communication between claims and underwriting
 - Examples of losses impacted by an underwriting file

Presented by Vicky Hartman, Builders Risk Underwriting Manager, Ironshore, and Shawn Crawley, SVP, Head of Claims - First Party, Sampo

- Equipment Breakdown of High-Value Medical & Related Computer Equipment
 - The current state of high-value medical equipment
 - The Life cycle of high-value equipment
 - High-value components at risk
 - Equipment breakdowns
 - Claims examples

Presented by Paul Morris, Principal Engineer, HSB

- Cryptocurrency Mining
 - Overview of crypto mining in the US/ world & current state of crypto mining in the US
 - Typical mining rigs and facilities
 - Electricity usage and heat generation
 - Major exposures and key questions to ask an underwriter

Presented by Tom McKeon, Principal Engineer, SEK Safety & Risk Management, and Joseph Kovalick, AVP of Risk Consulting, Everest Insurance

IMUA notes that an application has been made for 3 CE credits for GA brokers and is pending approval.

To register online for this year's *42nd Annual Southeast Inland Marine Seminar* visit the IMUA website at www.imua.org and click on the Upcoming Events tab. For further information contact Allie Monreale at alliem@imua.org or call 212-233-0550.

###

IMUA is the national association for the commercial inland marine insurance industry. IMUA serves as the voice of its member companies representing over 90 percent of all commercial inland marine insurers. The association provides its members with comprehensive training and educational programs, including research papers and bulletins, industry analysis and seminars. IMUA was founded in 1930.
